**BD Construction Earns 'Builder of the Year', Two Volume Awards from  
Leading Metal Building Systems Supplier**

**KEARNEY, NE; June 24, 2008** — Ceco Building Systems, one of the nation's leading metal building components manufacturers, has recognized BD Construction with its Midwest Region Builder of the Year Award in addition to Annual Volume and Cumulative Volume Awards at its 2008 National Sales Meeting in Tucson, AZ.

BD was honored for overall excellence in its metal building program as well as for achieving annual sales in excess of \$500,000 and cumulative sales of over \$3 million. Accepting the awards for BD were vice presidents Doug Bierman and Dennis Neemeyer.

"We're honored to be among Ceco's top customers nationwide, and especially to be named the Midwest Region Builder of the Year," said Mark Benjamin, BD CEO. "The volume of business that we do with Ceco represents many thousands of square feet of building projects for a wide range of clients throughout our region."

Founded in Columbus, MS, Ceco Building Systems today has 39 manufacturing facilities in 17 states throughout the Midwest as well as in Canada and Mexico.

***About BD Construction***

*Founded in 1963 in Columbus, NE, BD Construction is today one of the Midwest's leading design-build contractors, with a lengthy history of large scale building projects of every description, from hangars to hospitals to hotels. As design-build specialists, BD is capable of handling all aspects of a building project, starting with the initial concept and floor plans and continuing through site selection and preparation, design and architecture, financing and permitting, construction, landscaping and evaluation of the finished project.
